

**SECTION 2**  
**SPECIAL CONDITIONS**

**Fire Suppression Training Systems**

**2.1 PURPOSE**

The purpose of this solicitation is to establish a term contract to procure portable fire suppression training systems in conjunction with the County's needs.

**2.3 TERM OF CONTRACT**

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the last month of a twenty four (24) month term.

**2.4 OPTION TO RENEW**

Prior to, or upon completion of the initial twelve (12) month period, the County shall have the option to renew this contract for an additional two (2), twelve (12) month periods.

**2.5 METHOD OF AWARD**

Award of this contract will be made to the responsive, responsible Bidder who submits an offer on all items listed in the solicitation and whose offer represents the lowest price when all items are added in the aggregate. If a vendor fails to submit an offer on all items, its overall offer may be rejected. The County will award the total contract to a single Bidder.

**SECTION 3**  
**TECHNICAL SPECIFICATIONS**

**Fire Suppression Training Systems**

**3.1 SCOPE OF WORK**

The Miami-Dade Fire Rescue/Office of Emergency Management department (MDFR/OEM) is seeking responsive, responsible, bidders to furnish BullEx portable fire suppression training systems and accessories that will allow MDFR/OEM to aggressively pursue their community emergency response team (CERT) training requirements and outreach goals. The fire suppression training system shall:

- Simulate small fires (combustible, flammable liquid & gas, and electrical) consistent with the scope of the CERT Training;
- Self-sustaining;
- Provide a safe, yet very realistic fire suppression training experience for non-emergency personnel (i.e., citizens and volunteers); and
- Is portable and safe for indoor use (during inclement weather) that does not require MDFR/OEM to recharge extinguishers after every use.
